

**WESTFIELD GAS AND ELECTRIC LIGHT DEPARTMENT**

**SCHEDULE OF OFF STREET OR CONTRACT LIGHTING**

**APPLICABILITY:**

This rate is applicable to off street lighting or general area lighting only. Each light will be billed monthly at the rate specified below and will be a line-item charge on the account's monthly statement. The charge represents the monthly rate times the amount of units at the service address.

**SERVICE INSTALLATION CHARGE:**

There will be a one-time service charge, as specified in the following table, to cover the cost of labor and equipment required for the installation of the lighting fixture. If one or more poles are required, there will be a service charge for the setting of each pole. Poles will be installed at the cost of \$200 each.

**TERMS AND CONDITIONS:**

Any new or replacement lights will be subject to City of Westfield Zoning Ordinance ~ Article IV Section 121 – Page 1 Section 4-121 LIGHTING 4-121.1 – Standards (see [Section 4-120 – Prohibited Uses and Performance Standards](#)), or the most recent zoning ordinance. Any cost or design associated with meeting the zoning standards is at the customer's expense. It is the sole responsibility of the account owner to comply with any and all applicable zoning laws and all applicable laws with regard

to the placement and use of the lights installed, and the Department shall not be liable for any violations incurred as a result of installation or use of lighting.

The Department will replace broken luminaries or lamps at the customer's expense.

It is the customer's responsibility to inform the Department of any broken or non-working lamps. Upon notification at #413-572-0000, the Department has five (5) working days to make repairs.

Bills are due and payable no later than 28 days after date of billing. Service is governed by the "Terms & Conditions of the Westfield Gas and Electric Light Department, City of Westfield, Massachusetts."

A Customer Agreement is required for service under this Rate Schedule. The form of Agreement is attached herewith below.

Effective: March 1, 2025

**MONTHLY RATE APPLICABILITY**

This rate is applicable to off street lighting or general area lighting only. Each light will be billed monthly at the rate specified in the Schedule of Off Street or Contract Lighting as filed with the Massachusetts Department of Public Utilities and will be a line-item charge on your monthly statement. The charge represents the applicable rate times the number of

units at the service address. Monthly rates will be updated with any tariff that supersedes the current tariff which may happen from time to time.

**SERVICE INSTALLATION CHARGE**

There will be a one-time service charge to cover a portion of the cost of labor and equipment required for the installation of the lighting fixture. If one or more poles are required, there will be a service charge for the setting of each pole.

**TERMS AND CONDITIONS**

If the Customer requests removal of the rental light within three (3) years of the installation date, the Customer shall be responsible for all costs associated with removal. Additionally, the Customer shall be responsible for paying the difference between the anticipated revenue over the three-year period and the actual revenue collected through the time of removal. This provision ensures the full recovery of installation costs, a portion of which are recouped over the initial three-year period.

Any new or replacement lights will be subject to City of Westfield Zoning Ordinance ~ Article IV Section 121 – Page 1 Section 4-121 LIGHTING 4-121.1 – Standards (see [Section 4-120 – Prohibited Uses and Performance Standards](#)), or the most recent zoning ordinance.
