

# GAS ENERGY SAVING CREDIT PROGRAM

As a proud **Community-Owned Utility**, Westfield Gas + Electric would like to offer our gas heat customers an opportunity to earn up to a **\$125 bill credit** for reducing their gas consumption.

During the months of January, February, and March, if you reduce your gas consumption by 10% \*compared to your last year's bill and in accordance with program requirements, you will receive a **\$100 bill credit** on your WG+E account. Plus a \$25 credit applied in January just for signing up!

For more information about a free home energy saving audit and tips on how to lower your energy bill, visit our website at **www.wgeld.org**.

## PROGRAM GUIDELINES

- Participants must be WG+E residential gas heat customers with at least twelve months of gas consumption history.
- Participants must complete an application for participation by the November 30th deadline.
- The first 250 qualified applicants will be accepted into the program.
- WG+E will monitor program participants' consumption and calculate net energy savings throughout the months of January, February, and March (\*last year's vs. this year's energy consumption normalized for weather variables).
- The \$25 Energy Credit for joining the program will be applied in January.
- Participants will be notified of their results in April. Successful participants will receive a \$100 Energy Credit applied to their WG+E account.

If you are interested in participating in the Gas Energy Savings Credit Program, please complete the information below and **return this form** to WG+E by November 30th.
