

Westfield Gas + Electric's Residential High Efficiency Heating and Water Heating rebates are offered to promote the installation of high efficiency heating and water heating natural gas equipment. This program is designed to offset the incremental cost of such systems over standard replacements. Rebates are available to customers that have installed eligible systems within the past twelve (12) months.

Eligible Equipment:

New Equipment	Rebate
Space Heating – Furnace	
95% AFUE or greater and ECM Motor, up to 150 MBH	\$300
97% AFUE or greater and ECM Motor, up to 150 MBH	\$600
Space Heating – Hydronic Boilers	
85% AFUE or greater, up to 300 MBH	\$500
90% AFUE or greater, up to 300 MBH	\$1,000
95% AFUE or greater, up to 300 MBH	\$1,500
Integrated Water Heater/Condensing Boiler*	
90% AFUE or greater	\$1200
95% AFUE or greater	\$1600
Water Heating - Indirect	
Attached to Natural Gas Boiler	\$400
Water Heating - Storage	
High Efficiency (0.62 EF)	\$50
ENERGY STAR® Labeled (0.67 EF)	\$100
Water Heating – Tankless (Non Integrated Unit)	
Energy Factor of .82 or greater	\$500
Energy Factor of .94 or greater	\$800

**Integrated unit must be considered one unit by manufacturer.*

Eligibility for Rebate:

- Applicant must be a current gas customer of Westfield Gas and Electric.
- Equipment must be installed by a licensed contractor.
- Program terms and conditions are subject to change or cancellation without notice.

How to Apply:

1. Have a licensed contractor install eligible equipment listed above. A resource for determining eligible models and printing AHRI certifications can be found at: www.ahridirectory.org.

2. Apply online at www.wgeld.org and upload required documentation.

OR

Complete the following rebate application and mail along with required documentation to **WGE Efficiency Program, 320 Riverside Dr. 1-A, Florence, MA, 01062.**

Customers who do not have online access can call **844-403-7960**.

Application must be received within twelve (12) months of the installation date.

3. Upload or return the completed application along with a copy of your dated invoice or receipt. Remember your submission must include:
 - a. Copy of your most current gas bill.
 - b. Copy of the AHRI Certification.
 - c. Copy of dated invoice which must include contractor's name, license number, address, phone number, equipment's manufacturer, model, AFUE/Thermal Efficiency rating, and installation cost.
