PUBLIC POWER WEEK YOUTH ART CONTEST

You can help Westfield Gas + Electric celebrate Public Power Week!
We're celebrating our team who bring safe and reliable power to all of Westfield as a locally owned utility. We work together to create and support a strong community.

This year we're inviting young people (ages 3-16 years) to join us in celebrating Westfield. You're part of the community here and you have the power to make a difference too. Do you make a difference by being a good friend? Helping in your family? Taking care of the world? Use the attached sheet to draw a picture of how you make Westfield a great place to live.

Artwork will be displayed at the WG+E office at 100 Elm Street during the week of October 1 and for our Public Power Week Open House (October 6 from 9 am-430 pm). We hope you'll join us to see the display and for light refreshments. Selected art will be printed on mugs and tshirts and presented to the artists at a later date.
